

CPTG Certified Pure Therapeutic Grade®

dōTERRA'S CPTG CERTIFIED PURE THERAPEUTIC GRADE ESSENTIAL OILS are 100% pure, natural, aromatic compounds carefully extracted from plants. They do not contain fillers or artificial ingredients that would dilute their active qualities and are free of contaminants such as pesticides or other chemical residues.

As important as it is to keep contaminants out of our oils, assuring the presence of their active compounds, at the right levels, is necessary to guarantee safety and effectiveness. Many oils claim to be therapeutic grade, and some may be pure, but few are subjected to rigorous testing standards for chemical composition. dōTERRA's Certified Pure Therapeutic Grade essential oils are cross tested using mass spectrometry and gas chromatography to ensure both extract purity and composition potency of each batch.

dōTERRA works closely with a global network of leading essential oil chemists and growers to select botanicals of the correct species, grown in the ideal environments and carefully harvested at the right time. The aromatic compounds of the plants are skillfully extracted by experienced distillers and subjected to chemical analysis to ensure purity and composition. dōTERRA's CPTG Certified Pure Therapeutic Grade essential oils represent the safest and most beneficial oils available in the world today.

CPTG Certified Pure Therapeutic Grade®

EQUALLY STRINGENT STANDARDS OF SAFETY and efficacy are applied to all of dōTERRA's Essential Wellness products. Guided by our Scientific Advisory Board, dōTERRA uses only top development and manufacturing partners who maintain GMP certification and enjoy industry reputation for superior innovation and quality. Each dōTERRA product is guaranteed to exceed customer satisfaction and performance expectations.
